RE: Your Letter Dated February 27, 2017

Dear Ms. D'Andre:

Thank you for contacting the Minnesota Department of Human Services, Child Support Division. I am responding to your request for information about the Child Support Program in Minnesota. The answers to your questions are listed below:

Question one: The number of open cases with the child support program in the State of Minnesota

Answer: *The State of Minnesota has 222,472 cases.*

Question two: The top 100 cases with the highest balances due in the State of Minnesota

Answer: *See attached spreadsheet. Information is listed by balance.*

Question three: Clarification on the amount due. Does it represent support due or support plus interest (if in a judgment)

Answer: *Minnesota law provides for interest to begin accruing whenever the unpaid amount due is greater than the current support due. Cases represented would include interest, if applicable.*

I hope you find the information I provided helpful. There are no charges for researching or copying any documents.

Sincerely,

A handwritten signature in black ink that reads "Kim Foster".
