Dear Ms. D'Andre:

The following information is in response to your request for Child Support information under the Freedom of Information Act.

1. The number of open cases with the Child Support Program in the State.

38,509 as of 9/30/2016.

2. The top 100 cases with the highest balances due in the State. For example, #1 - \$1+ million, #2 - \$975K and so on.

Please be informed that DCSS does not compile, cross-reference or assemble this information for any reports it maintains. Thus, pursuant to NH RSA 91-A:4, VII, DCSS is not able to provide this requested information.

3. Clarification on the amount due. Does it represent support due or support plus interest (if in judgment)?

The legal obligation includes that which is adjudicated by the court (i.e., if interest is adjudicated by the court, then it would be part of the legal obligation).

Sincerely,

Lori Anderson
Program Specialist
