RE: Arizona Child Support Cases

Dear Ms. D'Andre:

I am responding to your public records request in your email dated February 17, 2017, regarding records pertaining to Arizona's Child Support Program.

In your inquiry, you request the following:

- Number of open cases with the Child Support Program in the State
- Top 100 cases with the highest balances due in the State (excluding spousal maintenance)
- Clarification on the amount due (if it represents support due or support plus interest)

As of February 20, 2017, the Arizona Division of Child Support Services (DCSS) has a total of 173,975 open cases. The enclosure shows the amounts of the top 100 cases with the highest child support balances. The enclosed balances include support and interest owed.

Should you have additional questions pertaining to the DCSS, please contact me by email at rbartolini@azdes.gov.

Sincerely,

Rachel Bartolini
Executive Staff Assistant
Division of Child Support Services
