Ms. Carla D'Andre

Re: Public Records Request to the DCF Office of Child Support

Dear Ms. D'Andre:

Thank you for your public records request made to the Office of Child Support, Department for Children and Families, dated February 17, 2017.

You have specifically requested:

1. *The number of open cases with the Child Support Program in the State.*
2. *The top 100 cases with the highest balances due in the State. For example, #1 – \$1+ million, #2 – \$975k and so on.*
3. *Clarification on the amount due. Does it represent support due or support plus interest (if in judgment).*

In response to #1 above, the current number of open cases as of 2/23/17 is 16,892. In response to #2, a report has been run of the total arrears in our system shown for each of the 16,892 cases which is attached as an excel spreadsheet. This is the total per case that is due according to our records. Our records do not detail how much of this number is support due versus interest, thus our records cannot provide a response to #3 above.

This information fulfills your request. If you have any questions or requests please feel free to contact me via email at Luciana.DiRuocco@vermont.gov.

Thank you,

A handwritten signature in blue ink that reads "L. DiRuocco".
